

Giovanni Ederle
Viticolore in San Mattia

Wine Tastings

your personal experience of wine.

The wine is not only a product of the land but also the story of those who produce it. Tales are told of vineyards, wines, people, and passions here in San Mattia every day. If you are in Verona and want to visit a commercial farm in ten minutes, you can reach the Veronese hills and San Mattia. Giovanni Ederle's cellar is always open. Here there are tastings of Amarone della Valpolicella, Rubro del Forte, Donna Francesca, San Mattia Bianco, and San Mattia Red. Amazing!
